	Operator Alert 34	Issue date: 05-JUN-2023
IATA	**Risk-Based IOSA Workshops**	Effective date: 05-JUN-2023

Reason for Issue

This Alert is to inform Operators of a series of regional in-person Risk-Based IOSA workshops taking place in 2023.

This Alert replaces Operator Alert 32 dated May 12, 2023, by providing an updated list of workshops (new additions and those which remain open for registrations).

Key Objectives

The workshops provide an introduction to the Risk-Based IOSA concept, process and related impact on operators.

Target audience

These workshops address airline staff and regulatory managers and address quality and safety professionals, such as Oversight Managers, Compliance Monitoring Managers and Internal Evaluation Program (IEP) Managers.

Prerequisites

It is recommended for participants to have prior experience with the IOSA program.

Workshop Topics

- Risk-based IOSA
- Major Program Changes
- Audit Planning and Preparation
- Audit Conduct
- Maturity Assessment
- Audit reporting and follow up
- Trial Audit Feedback
- Quality Assurance

	Risk-Based IOSA Workshops	Effective date: 05-JUN-2023

How to Join the Workshop

Using either the direct links or QR codes below, please submit a request to the registration form.

Please note that submitting a response to the Kigali workshop registration form will **automatically** register you for the event.

For the Baku, Istanbul, Hong Kong, and Buenos Aires workshops, upon submission of your request, you will receive an email notification of your registration status. If your registration to a workshop could not be accepted due to space availability, we encourage you to consider registering for another workshop.

The method of acceptance will be based on availability and aimed at maximizing the attendance of different stakeholders.

Note: _There will be no remote access to the workshops._
